

# PAEC ACADEMY REMOTE LEARNING

JANUARY 23, 2026

## What to Expect

### Instruction

Classroom instruction will be a mixture of synchronous (on camera) and asynchronous (off camera) learning. Your child's teacher has already prepared students on how to log in and what to do during remote learning. Please make sure your child has access to a quiet space and any materials their teacher may have sent home.

### Links for Meetings

Your teacher will provide your classroom meeting link in addition to a schedule of learning via Class Dojo. Please check your classroom for announcements.

**ClassDojo**

## Reminders

All Chromebooks, computer bags, and chargers must be returned to school when we resume in person instruction. Please ensure that all materials are safely packed in your child's backpack so they arrive at school the next day we are in session.

## Need Help?

- Email Ms. Kline or Ms. Silvestre at:
